

SAGEBRUSH EMPIRE POP WARNER 2006 Season Schedule

To All City Associations and Parents:

This letter is to let you know the scheduling committee worked very hard to produce a schedule that would benefit every team. Most all teams in Sagebrush have home and away games that are 3-4 or 4-3. The ones that do not are often adjoining cities such as Reno/Sparks or are home or away, but play in their same association, example: Carson Blue vs Carson Silver.

These factors greatly impacted scheduling:

- 1 Specific Days in a City Association for 'Homecoming' Events
- 2 Cities having more teams than fields available
- 3 Three or more teams in a division that belong to one city

Please refer to: www.sagebrushpopwarner.com for the most current schedule.

Best of luck in your upcoming season.

*****NOTE*****

*All divisions will have at least 9 games.
Sagebrush be scheduling Play-off games for weeks 8 & 9 in Mid October.*
